**From Elsie and Bill MacMaster** ~ Our names have been on the prayer list since Bill had his stroke. We have recently learned that most people don't survive this type of stroke and that the ability to open both eyes and see is even rarer. Bill is making some progress but the road to recovery is a very long one. We have felt so supported by our church family with phone calls, emails, cards and visits from Rev. Jeffrey and Rev. Michael. We feel so blessed. Thank you so much.
